**Re: Notice of Ex Parte, *Transforming the 2.5 GHz Band*, WT Docket No. 18-120;
Expanding Flexible Use of the 3.7 to 4.2 GHz Band, GN Docket No. 18-122**

Dear Ms. Dortch:

On Thursday, May 23, 2019, Governor Bill Anoatubby, Secretary of Commerce Bill Lance, and Under Secretary, Subsidiary Services and Support Clifford Agee of the Chickasaw Nation, and Caleb Cochran, Southeast Field Representative for Senator James Lankford, met with Chairman Ajit Pai and Nirali Patel, Wireline Advisor to Chairman Pai, of the Federal Communications Commission ("Commission") at the Chickasaw Nation Headquarters in Ada, Oklahoma. During the meeting, the parties discussed the importance of the local priority filing window for tribal nations in the *Transforming the 2.5 GHz Band* proceeding and noted that there should be a similar opportunity for tribal nations to access spectrum in the 3.7-4.2 GHz band.

Pursuant to Section 1.1206(b) of the Commission's Rules, we are filing this letter electronically in the above-captioned dockets. Please contact the undersigned if you have any questions.

Respectfully submitted,

Donald L. Herman, Jr.
Clare C. Liedquist
Counsel to The Chickasaw Nation
